

Bay Choral Guild Presents...

# *All Night Vigil*

## Sergei Rachmaninov's great masterpiece of the Russian Orthodox Church

One of Rachmaninov's favorite compositions, this powerful, richly melodic setting of texts taken from the Russian Orthodox All-night vigil ceremony is the concluding concert to our 33rd season. Singers love to perform "All Night Vigil" and audiences love to listen! There is good reason why this work is often praised as Rachmaninov's finest achievements. Join us for a glorious season finale!
